

Tena Koutou Katoa
Greetings everyone

We are already half way through the term, with lots to get finished before the end of the term. The seniors are working hard to produce another outstanding show at the Opera House. This will be performed on Tuesday 19th and Wednesday 20th June at 7pm. Even if you have no children in the senior team, we urge you to come to the production and bring your children. Our production has a history of huge success and from one production to the next, our younger students aspire to be the next celebrities in the stage lights. We can guarantee a great night's entertainment.

THE WEEK AHEAD

Thursday 31st May – Reconciliation for Years 4-6 at 10am

Friday 1st – Junior Team Mass at 9.15 am at St Mary's

EXCELLENCE MEDALS

As part of the international build up the Olympic Games, ASB Bank have produced some incentives for schools to get the children thinking about excellence, perseverance and respect for all people. As a part of this initiative we have a Gold, Silver and Bronze medal to present at the beginning of each week to 3 children who have exhibited excellence in practicing our school virtues. The first presentations were made at assembly this morning and the 3 recipients who were showed excellence in Acting With Kindness last week were:

Gold Medal—Tayla Gregory—For demonstrating kindness to an individual student who needed special care.

Silver Medal—Ben Rybinski—For the way in which he helps our International Students at work and play.

Bronze Medal—Poppy Sinclair-Grant—For thoughtfulness and compassion towards someone special.

Congratulations to these three. The medals will come home for the week. Unfortunately we can't let them keep them as we only have one set. Please could they be returned on Friday if your child is presented with one.

REPORTS

Due to the timing of the senior production, mid year reports will be distributed on the last day of term 2. Parent interviews will be scheduled for week one of term 3 –Tuesday 17th and Wednesday 18th July. Once again we will use the online booking system for booking interview times. This will be available in the last 2 weeks of term. If you are unable to access the system for any reason, either let the teacher know or the office and we will book an interview for you before the end of term.

CONGRATULATIONS TO PAST PUPILS

Firstly a big congratulations to Meg Paterson who was nominated for and received the Hastings District Council Youth Potential award for Most Outstanding Female. Meg was one of four youths who received awards for the work they do in the community and their example as positive role models. Meg has volunteered hundreds of hours to the YMCA holiday programmes and is heavily involved in netball, basketball and choir at Sacred Heart.

Congratulations also to Ben McCarthy who had an integral part in the Drama section of the O'Shea Shield. As reported last week, this contributed in a win for the Colleges of Hawke's Bay.

BUILDER NEEDED

We are looking for a professional builder with some extra time on their hands to do some specialised but minor jobs around the school. If you are or know a builder who is looking for some extra work, please contact the office. This may suit someone who has semi retired or retired from the industry.

SAFETY FIRST

Just a couple of reminders to keep our children safe.

Please remember to ring in and leave a message if your child is going to be absent from school. This is helpful to the office staff who then don't need to spend half the morning on the phone checking that children are safe.

It is noticeable the number of parents who are turning into the school car park and dropping off children then backing out again into the line of traffic. Please try to use the correct areas for dropping off children. Even if they have to walk a little further, it is the safer option.

HEADLICE

Please keep checking and treating. We are certainly not a lice free zone yet!

First Communion will be celebrated on Sunday 10th June. Please come and share the celebration with our First Communicants and their families.
