KONG VINE

The school children are very excited by the installation of the new Kong Vine which is a piece of Gurkha Extreme Fitness equipment. We have been planning this installation for some time and it is very exciting to finally get it established. We would like to thank the McCormack/Symonds family for the very generous donation in memory of John McCormack, who is Debra Gibson's grandfather. We will treasure this structure as something that our children can enjoy now and in the future. Thank you also to the PTA for helping to complete the project.

REPORTS

Due to the timing of the senior production, mid year reports will be distributed on the last day of term 2. Parent interviews will be scheduled for week one of term 3 – Tuesday 17th and Wednesday 18th July. Once again we will use the online booking system for booking interview times. This will be available in the last 2 weeks of term.
