### ***Virtue of the Month—Perseverance***

#### **FEEDBACK FROM ERO**

Over four days last week the Education Review Office worked alongside trustees, management and teachers reviewing our practices and assessing how effectively students are engaged and learning. On Thursday morning the board and senior management received a verbal summary from the ERO team. What we heard in the meeting was a wonderful reflection of what we know about our school and reaffirms that our kids continue to receive a quality education. Some of the many positive statements are below;

- The school's curriculum is highly effective in promoting and supporting learning
- There are clear and visible links between Trustees – Management – The Charter – Teaching – Assessment – Appraisal – Professional Development
- Students are not just “on task” but highly engaged in their learning
- The school is providing a calm and learning focussed environment
- School values and respect are highly visible in classrooms
- Good self-review processes are in place and the board and staff are highly reflective of their own performance

There are many more statements that ERO will summarise and deliver in a final report in a few months. This report is aimed at parents and we will distribute it to you.

The Board would like to thank our entire school community for what you contribute to the school. Statements like the above do not just happen, they come about through engagement and commitment to excellence in all parts of school life. As a school community we can be very proud of this report and of what our school is delivering. A special thanks and congratulations to Julia and all the staff for your commitment to teaching excellence.

### SENIOR TEAM CAMP

Thank you to all parents who have offered to go on the Year 5 and Year 6 camps to Camp Kaitawa in Term 4. We had a terrific response with 3 times as many people offering their support as are required to accompany us. Because of the limited space at camp, we will need to carry out a ballot to finalise the groups of parents attending. This process will be conducted soon, and we will let all involved know the outcome soon.

### SENIOR TEAM TRIP

Thank you to those parents who went with Rooms 9 and 10 on their visit to the Faraday Centre last week. It was an invaluable visit and gave the students a great insight into the communication technology available in years gone by. Room 11 will be making their visit this Friday morning. Thank you to the parents who are supporting the students on this visit.
