Tena Koutou Katoa
Greetings everyone

“We need You and You and You.”

Please come to our wonderful production “**Quest on the Blue Planet**” and bring your family and friends to a great night out, on **1st and 3rd July** at the **Municipal Theatre**. This promises to be an extravaganza of talent, sound, light and colour.

Yesterday you should have received your child’s report from their class teacher. The interview booking site opened last Friday. Interviews are scheduled for Tuesday 24th and Wednesday 25th June from 2.20-6pm. Should you have difficulties with this, your child’s class teacher or Karyn, in the school office, will be able to help you. School closes at 2pm on both these days.

Several building and maintenance jobs have been completed around the school recently. It is great to see this. Thank you to those who helped to make this happen.

We are in the early stages of the process of being part of the N4L, network for learning, roll out. This provides us with a fully funded managed network internet connection.

We are also just beginning the SNUP, School Upgrade Network Project process. These upgrades should provide us with a fast, predictable, filtered internet connection and school network.

It is with sadness we heard of Noelene Manning’s death last Saturday. Terry and Noelene Manning have contributed much to Reignier Catholic School and we send prayers of love and support to Noelene’s family at this time. Our school altar servers and some school staff will attend Noelene’s funeral on Thursday at 11am at St Mary’s Church to represent our school community. Terry works with our altar servers with kindness and this is valued by us all. If you would like to attend the funeral as part of a school group we will leave school soon after 10.30am on Thursday. The Rosary will be said in the church on Wednesday evening at 7pm if you would like to be part of this special ritual.

ROUTINES AND REMINDERS

Unfortunately once again there are a few bugs around. Please keep sick children at home and if you suspect Strep B throat infection be aware that this is easily spread and probably needs treatment.

The focus virtue for the month of June is **Perseverance** and we continue to strive to give our best in all learning opportunities. The rain has stopped, for now, and the watery sun is out so enjoy some fresh air to blow the cobwebs away.

We are looking forward to sharing with you at parent interviews and seeing you at the school production “**Quest on the Blue Planet.**”

Ma te Atua koutou e tiaki
God bless you all.

SOME WRITING FROM ROOM 8...

After Jesus had risen the disciples locked themselves in a room. They were scared that the police would kill them. They were waiting for God's gift to come. Suddenly a strong wind blew through the house. Flames glittered on their heads. It felt like their hearts were burning. Then they felt happy. They ran to the door and said, "Jesus died for you." Then after that 3000 people turned up to get baptised.

Jacob Cotter, Year 3

After Jesus went to heaven the disciples were extremely scared because they thought they might get captured by some soldiers. They hid in a room and they locked the door and shutters very tightly but...Jesus walked through the wall. "Remember I will give you a gift." said Jesus. And he disappeared. Then there was a gigantic wind making everything shatter on the ground! Thomas hid under the table. Then a flickering flame appeared on top of their heads saying, "Tell everyone about Jesus." So they pulled open the shutters and they spoke in some languages that everyone else did. Peter said, "Don't run away from God. Run to him."

Ben Graney, Year 3
