MATARIKI CELEBRATION

Last week we advertised our traditional Matariki celebration for 2nd July – next Thursday. Unfortunately this date is not suitable, so the Matariki evening will now be held at the beginning of next term. We will communicate the details once we have made definite plans.

SCHOOL INTERVIEWS

There has been a fantastic response to the invitation to meet with teachers to discuss children's learning this week. Thank you all for your involvement, concern and interest in what we do here at school. It reflects a great community/school partnership. If you have not yet made an appointment to see your child's teacher, this can still be arranged. If you feel that you needed more time, discuss this with your child's teacher and make another appointment.

INCREDIBLE YEARS PROGRAMME

This is a free research-based programme that aims to increase children's social competence at home, early childhood centre and school. It has been proven effective in helping reduce aggression and behavior problems. It also helps to build positive family relationships and provide parents with strategies for dealing positively with incidents. It is suitable for parents of children aged between 3-8 years. The Napier Family Centre will be running this course beginning 3rd August. Contact the Napier Family Centre on Ph: 843 7280 or 027 234 2220 to enquire.

ST JOHN'S OPEN EVENING

This is being held on 3rd August from 6pm if you are interested in having a look through the College.

PARISH NEWS

We congratulate all those in the Parish who are celebrating the Sacrament of Confirmation this coming week end and pray for their continued spiritual journeys. We wish them all a lovely day.

MATHS—POSITIVE MESSAGE

Setting up Positive Norms in Maths Class

Every 3 weeks the whole school will be focussing on one positive message that encourages Maths in the classroom.

Depth is much more important than speed.

During Maths we no longer need students to just be able to compute fast. We also need them to think deeply, connect methods, reason and justify!

TEAM KERERU ASSEMBLY

This will take place this Friday 26th June at 9am. Room 10 will be leading this.

TEAM PIWAKAWAKA ASSEMBLY

This will take place this Friday 26th June at 12.30pm. Room 3 will be leading this.

YEAR 5/6 CAMP

Thank you very much to all of the parents who offered to support us on the Year 5 or Year 6 Camp to Kaitawa at the beginning of Term 4. Your offers of assistance were hugely appreciated. We required 12 parents/caregivers to accompany us on each camp and had more than two times as many offers of assistance. We needed to take into account the following: medical needs of some students, male/female ratio of adults.

For the remaining spaces, we needed to conduct a ballot to decide on the group to accompany us. **A note should have come home with your child last week indicating whether you will be required or not.**
