Greetings Everyone

We warmly welcome Nevaeh Batten (Room 1) and her family to Reignier.

The school production **"DARE TO DREAM"** is in three weeks! Tickets are on sale now through Ticketek. Suitable for all the family. Show dates are **Tuesday 5th and Wednesday 6th July**. Please come along and support our Year 5 and 6 children.

ERO VISIT

Next week we welcome Sharon Kelly and Lyn Horspool from the Education Review Office. They will be in the school most of the week. We look forward to their visit.

TASTE OF ST JOHN'S DAY

Our year 6 boys had a marvelous time at St John's College last week immersing themselves in secondary school life for the day. We are so lucky to have such excellent Catholic secondary schools for our children to continue their Catholic education at. If you would like to get any information regarding our Catholic colleges and our Intermediate, St Pats please contact the schools.

ATTENDANCE

A gentle reminder - After having just done a review on attendance, we are noticing an increase in the number of students leaving school at lunchtime on Fridays. Please be mindful that school finishes at 3pm and if you can avoid taking children earlier then it would be appreciated. An hour doesn't seem like much but valuable learning still happens on a Friday afternoon. We would appreciate that if you are making arrangements to travel away for the weekend that you endeavor to wait until school has finished.

SWEATSHIRTS

Please could you check sweatshirts coming home for the right name. We seem to have a number of named sweatshirts missing at present. If you find a sweatshirt at home that doesn't belong to your child we would love you to return it to school so we can reunite it with the rightful owner.

DAIRY PRODUCTS

Please remember that we ask you not to send any milk drinks and yoghurts to school with your child, in fact any dairy that is spillable. We know this can be inconvenient, but it is helping to keep every student healthy and safe.

PASTORAL CARE

We have a wonderful team of parents within our school community who discretely provide care and support for families who have a need. The team coordinates and organises meals, baking, visits and support from our school community. If you are happy to help by making a meal or baking every now and then (this may only be once or twice a year), or providing other types of support it would be very much appreciated. Please contact Sandra Unwin (who co-ordinates our Pastoral Care) on 845 0751 or 0275 344 989, or let the office know and they will pass your name on. Similarly, if you have a need, or know somebody who does, you can discretely share this with a classroom teacher or the office and that information will be passed on to the team. With many thanks.

SCIENCE IN A VAN...

The Witching Hour

The moon was as dark as a devil. Not the slightest sound; not even a mouse's whisker moved.

The clock struck 12, then suddenly the jumping jaguars swooped and swooped across the sky - as dark as a smoking fire.

All the animals hit the roofs and suddenly - the witches appeared on their vacuum broomsticks. This was the Witching Hour all right. The Witching Hour it was.
