Greetings Everyone

This has been an incredibly busy term and we have accomplished a huge amount. Thank you to staff who have packed in a fair number of extra activities alongside ERO, report writing and production. The children have risen to every challenge and we continue to be so proud of them whenever they participate in anything outside of school. Thank you to the whole school community for your support of the children and of the staff. We wish everyone a safe and relaxing holiday.

LAST CHANCE! LAST CHANCE! LAST CHANCE! LAST CHANCE! **TO SEE THE MAGNIFICENT 'DARE TO DREAM' – OUR SCHOOL PRODUCTION**

There are still tickets available for the fantastic production this week. Such a bargain for a great night's entertainment. Come tonight or Wednesday night. Book through Ticketek or buy a ticket at the door. You won't regret it! The curtain goes up at 7pm.

The musical 'Dare To Dream' is now a reality with 72 of our Year 5 and 6 children taking centre stage tonight and tomorrow night. The dress rehearsal went off without a hitch and we all look forward to a magnificent performance tonight. A huge thank you to Mrs Smith who has written and directed the whole thing, working tirelessly and patiently with the children to produce a wonderful production, Mrs Mellon who has coordinated the music and spent many hours transposing and rewriting for little children's voices and the band who supported. A big thanks also to the many parents who work hard behind the scenes, especially Andrea Wilton who has sewed relentlessly for the last three productions to make the stage a colourful spectacle. We also need to thank Dave Waugh one of our grandparents who has designed and built a number of the large props. Without the generosity of time and expertise of all you wonderful people, we could never produce a show to such a standard.

GYM FESTIVAL

Congratulations to all those who participated in the Gym festival last week. It was a privilege to watch the routines. The children have obviously worked very hard to improve their gym skills over the last term. Thank you to those teachers, Pip Brooker, Catherine Cawston and Raelene Cronin for their expertise and time.

INTERIM REPORTS AND INTERVIEWS

Interim reports for all Year 4 to 6 learners will be sent out on Friday. Because of our school production these are a little later than usual. Following the reports there will be an opportunity to meet with your child's teacher to have a conversation about your child's learning in week one right at the beginning of next term. Teachers will be available to meet with you and your child on Tuesday and Wednesday 26th and 27th July from 2.20pm. We will be using the online booking system again, so either access it through the website as in previous years or go into www.schoolinterviews.co.nz. Our school code is **5268**. Please do this over the holidays. School will close both of these days at 2.00pm. Please make other arrangements for your children to be collected early on these days.

TERM ACCOUNTS

These will be out this week. We apologise for the delay. Please endeavor to clear these over the holidays. Our internet system is streamlined and easy to use. If you have any concerns or worries regarding the payment of any aspects of these accounts, please come in and have a conversation with me.

Setting Up Positive Norms in Maths Class

Every 3 weeks the whole school will be focussing on one positive message that encourages Maths in the classroom!

Questions Are Really Important.

Always ask Questions. Always answer Questions.

Ask yourself: why does that make sense?
