End of Term 2

Tena Koutou Katoa

Greetings Everyone

We warmly welcome Julia Chojeta (Nest 5) to Reignier.

At the start of the term it is only appropriate for me to welcome staff, parents and the wider community back to school. I am looking forward meeting you all in the months to come, when you see me at events please introduce yourself. After only a few days here at Reignier I get a feeling of inclusiveness and a real sense of eagerness to get on with the job.

Thank you to everyone who has made me feel so welcome, it has made the transition much easier. A very special word of thanks and appreciation to Mrs Sheryl Riceman who led the school over the last few months and may I add she did an outstanding job. I look forward to working closely with everyone here at Reignier school.

Winter Sport disciplines are starting as soon as this Saturday and I experience a sense of enthusiasm and eagerness from our children not only to participate but to do well. As a new principal I have a request right from the outset. Please treat everyone at sporting events as you want to be treated. Remember most of the people, parents, managers, coaches, referees and umpires are volunteers who do it for the love and enjoyment of our tamariki.

I also want the community to know that I have an open door policy to discuss any issues or celebrate great results with you. Please make use of this and share out of school results with us in order for us to announce this at school.

Ma te Atua koutou e tiaki

God bless you all.

Anton Heyns
