End of Term 2

Tena Koutou Katoa

Greetings Everyone

We warmly welcome Jack Coombe (Nest 5) to Reignier.

Today you are receiving the last newsletter for this term. This has been an outstanding term with much to celebrate but the BIGGEST highlight is yet to come. We are looking forward to our production next Tuesday and Wednesday evening. If you have not bought your tickets please do so through Ticketek. I have decided to invite all principals and their respective partners from ALL the catholic schools to our gala performance on Wednesday evening. I am very proud of our school and am adamant we will showcase our children and talent to the wider Napier community.

I want to make it clear that as principal of Reignier I will communicate everything to you, as parents and the wider community of our school. This being said, this means that at times I will talk about expectations, rules and also ask for assistance and participation. I ask you to read the newsletter and if something applies to you, please take it on board.

Ms Davis and I attended the New Zealand Catholic Schools conference on behalf of the school in Wellington last week. We got a wealth of information from the three days and will share some of it next term with you our parents, this will happen after Ms Davis had a few sessions with staff bringing them up to speed and into the bigger picture.

Tonight and tomorrow evening we have our parent teacher interviews. Most parents have made appointments and if you have not yet done so, there is still an opportunity to do so. I also have to announce that due to illness we have postponed Mrs Jones' parent interviews and after her return will let those affected families know when this will happen. I envision that her interviews will be done early next term. I am sorry for any inconvenience but we do LIFE here at Reignier and LIFE happens.

Last but not least, as we approach the school holidays I want to wish my staff well over the holidays, rest well and come back refreshed. I also want to thank them for this term, their dedication and hard work that does not go unnoticed. To our parent community thank you for making Bonnie and I's transition to Hawkes Bay very easy and very memorable. We love The Bay and I love being the principal of Reignier school. I hope to see you all at sporting and cultural events next term and can't wait to see our lovely children in action.

Ma te Atua koutou e tiaki
God bless you all.
Anton Heyns
